Subject: Re: Fw: Solicitation of interest in the Federal Standing Science Review Committee

Hi Chon,

I think we want to have a discussion about how to engage the Interagency and Agency representatives and potential reviewers (as it seems that some people on our lists have since left/retired/etc) for the IRIS Update project prior to sending an email. Once Vince returns to the office, we can set up a meeting to discuss this next step.

Thanks,
Samantha

Becki, I wanted to remind you of the e-mail I sent the other day. I am seeking your permission to send out the indicated text to my potential Federal Standing Science Review Committee members to gauge their continued interest in

participating in such a review. I wanted you to agree to my sending the e-mail or having it sent under someone else's name. Of course I also welcome your changes in the text.
